MUHANA, SANGANER, JAIPUR

Student Welfare Committee

The Students Welfare Committee (SWC) is dedicated to fostering a vibrant, inclusive, and supportive campus environment that promotes the holistic development of every student. While academic success is crucial, the SWC focuses on the overall well-being, emotional health, social integration, and co-curricular engagement of the student community.

The committee acts as a bridge between the student body and the administration, ensuring that student needs, basic amenities, and personal growth opportunities are continuously prioritized.
